Acknowledgments to Reviewers

The Editorial Staff of Environmental Engineering and Management Journal extends deepest gratitude to all peer-reviewers for their invaluable time and dedication in assisting the Editorial Office with the rigorous review process for issues 1-12 of volume 22/2023. The journal achievements and quality owe much to the diligent efforts of the reviewers. We sincerely hope to maintain this fruitful collaboration and continue benefiting from their expertise and support in the forthcoming year.

Additionally, we wish to express our sincere thanks to the Scientific Advisory Board, our esteemed subscribers, and all personalities who read and place trust in our journal. Their ongoing support is very supportive in driving the success and impact of Environmental Engineering and Management Journal.
